

Kitchen vocabulary

The kitchen vocabulary is here. Yet it is very important vocabulary about kitchen appliances, utensils and other such items used in kitchen, but by chance if we missed something you may comment below. It contains almost all important items used in kitchen. At the same time, It's very interesting and helpful for housewives, especially for young girls. Hope so, you will get all the data regarding your choice. As you know that kitchen is that place where a woman spends a lot of her time. So, she should know about important terms used in a kitchen or kitchen vocabulary. However it does not mean that a man should not learn this kitchen vocabulary rather he should also learn this vocabulary. Similarly it helps both men and women.
